

Incident Summary for 16/08/1999 till 27/09/1999

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>Alleged Source Count</i>	<i>First Response (mins)</i>
4733	16/08/1999 09:00	Pale yellow, sulphur-like substance in stormwater drains. Petone, Wellington	Pale yellow powder is pine tree pollen. Identified in Wellington Regional Council laboratory.	3	362
4723	16/08/1999 10:00	Foaming observed each day in the Kaiwharawhara Stream. Northland, Wellington.	Small amount of foam observed. Sample being analysed.		205
4735	16/08/1999 14:10	Yellow substance in puddles. Trentham, Upper Hutt.	Identified in laboratory as pollen.	4	100
4757	17/08/1999 08:35	Oily residue in Waiwhetu Stream. Gracefield, Lower Hutt.	Source of oil traced to an old vehicle motor dumped on Gracefield Road. Hutt City Council to remove motor.	1	35
4740	18/08/1999 16:59	Offensive rotten offal odour. Kingston, Wellington.	No offensive or objectionable odour detected at time of investigation.	1	26
4743	19/08/1999 12:05	Dark liquid emptied into stormwater drain by automotive industry. Thorndon, Wellington.	No evidence of discharge to stormwater.	1	10
4760	19/08/1999 12:05	Offensive odour. Rangoon Heights, Wellington.	No objectionable or offensive odour at the time of investigation.	4	45
4758	19/08/1999 13:25	Rubbish dumped over stream banks on Waterfall Road. Paraparaumu.	Passed to Kapiti Coast District Council for action.	1	2
4759	20/08/1999 08:20	Blue coloured sheen on Paremata Road. Whitby, Porirua.	No oily sheen of concern at the time of investigation.	1	55
4745	20/08/1999 11:03	Offensive gasey/sewage odour often present at property. Happy Valley, Wellington.	Complaint logged. Complainant requested to call when odour present.	1	7

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>Alleged Source Count</i>	<i>First Response (mins)</i>
4747	20/08/1999 13:50	Oil spill on State Highway 1 north-bound lane, between Grenada North and Johnsonville. Wellington.	Minor oil spots observed. Not hazardous and did not warrant further action.	1	20
4748	20/08/1999 15:18	Smoke and steam from nearby dry cleaning operation. Brooklyn, Wellington.	Complainant concerned about health issues. Passed to Wellington City Council for action.	1	10
4749	23/08/1999 13:10	Offensive odour coming from nearby foundry. Paraparaumu.	Complaint logged at complainant's request. Due to previous complaints, the company responsible have been required to upgrade their odour control equipment.	2	2
4752	23/08/1999 13:55	Foul odour from industrial premise. Seaview, Lower Hutt.	Slight intermittent odour confirmed. Suspected industrial premise confirmed as the source, but odour not considered to be offensive or objectionable.	2	40
4754	23/08/1999 14:05	Petrol or kerosene dumped into drain in alleyway beside church. Wellington Central.	Petrol dumped by unknown person into stormwater drain. New Zealand Fire Service flushed drains. Wellington City Council also on site.	1	35
4756	24/08/1999 10:00	Burnt plastic odour. Lyall Bay, Wellington.	No objectionable or offensive odour at the time of investigation.	22	28
4755	24/08/1999 10:00	Welding and plastic odour. Lyall Bay, Wellington.	No objectionable or offensive odour at the time of investigation.	23	28
4761	24/08/1999 12:30	Welding and plastic odour. Lyall Bay, Wellington.	Logged at complainant's request, as officers had already investigated earlier this morning. Also odour would probably have dissipated by the time officers reached the site, as odour usually of short duration.	24	2
4796	24/08/1999 14:30	Offensive burning plastic odour. Lyall Bay. Wellington.	Objectionable odour confirmed from nearby factory.	25	30

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>Alleged Source Count</i>	<i>First Response (mins)</i>
4797	24/08/1999 16:05	Offensive burning plastic odour. Lyall Bay. Wellington.	Objectionable odour confirmed from nearby factory.	26	1
4768	24/08/1999 18:38	Objectionable and offensive odour. Happy Valley, Wellington.	Objectionable and offensive odour confirmed in Happy Valley.	1	37
4769	25/08/1999 07:48	Very bad slick of some sort on Opahu Stream. Moera, Lower Hutt.	Slick appeared to be natural. Officer was unable to trace any source during the investigation.	1	4
4762	25/08/1999 10:05	Silt discolouration of Porirua Stream. Tawa, Wellington.	Contractors asked to minimise silt discharge.	1	50
4763	25/08/1999 12:36	Sewage odour. Island Bay, Wellington.	No objectionable or offensive odour at the time of investigation. A warped door at the nearby pumping station could have been allowing odour to escape, and was being replaced by the responsible party that afternoon.	1	32
4766	25/08/1999 13:40	Brown scum on the water in Days Bay. Eastbourne, Lower Hutt.	Brown scum identified by Victoria University of Wellington scientists as phytoplankton.	2	39
4765	25/08/1999 15:20	Concrete placed on bank of Takapu Stream. Grenada North, Wellington.	Company responsible asked to remove the concrete.	1	1400
4795	26/08/1999 13:50	Smoke from nearby burn-off. Trentham, Upper Hutt.	Contractors responsible for the burning were advised of the district and regional plan requirements. They were then advised of best practice for burning. The contractors agreed to burn only suitable material and during appropriate weather conditions.	1	1179
4793	26/08/1999 14:25	Dumping of non-clean fill. Berhampore, Wellington.	The material was all clean fill. The area was used for temporary storage of small amounts of fill before it was taken to a landfill.	1	1370

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>Alleged Source Count</i>	<i>First Response (mins)</i>
4791	26/08/1999 14:26	Non-clean fill being dumped in subdivided section nearby. Stokes Valley, Lower Hutt.	No signs of non-clean fill being dumped on site as alleged by the complainant.	1	154
4790	26/08/1999 14:45	Pig pen effluent washed to Waikanae River tributary. Waikanae.	The person responsible was asked to cease the discharge immediately. They were then asked to install an acceptable effluent system, and were sent the pig farming code of practice.	1	10107
4767	26/08/1999 14:55	Odour from a fish processing plant. Seaview, Lower Hutt.	No offensive or objectionable odour from the fish processing plant noted during investigation. There was however a strong sewage odour coming from the sewer nearby to the complainant's property and the matter was referred to the Hutt City Council.	2	2
4792	27/08/1999 10:45	Contractor observed water blasting silt into the stormwater system, which discharges into Frank Kitts Lagoon. Wellington Central.	Contractor warned.	1	2
4794	27/08/1999 13:20	Contaminants discharged to stormwater. Wellington Central.	Grey discolouration of street gutter and stormwater sump was talc and resin from sanding of car body work. Company responsible was given a warning.	1	6
4839	27/08/1999 15:01	Alleged illegal sandblasting works. Otaki.	No sand blasting occurring at time of investigation. Abrasive blasting company from Levin apparently does all abrasive blasting on site.	1	8604
4770	27/08/1999 15:40	Objectionable fishy odour from neighbouring fish processing factory. Wellington Central.	Officer did not find the odour offensive or objectionable beyond the boundaries of the factory at the time of investigation.	2	34
4800	27/08/1999 16:30	Sewage odour. Happy Valley, Wellington.	Objectionable and offensive centrate odour detected. Unable to find the source of the odour.	1	25

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>Alleged Source Count</i>	<i>First Response (mins)</i>
4801	27/08/1999 16:34	Sewage odour. Happy Valley, Wellington.	Objectionable and offensive centrate odour detected. Unable to find the source of the odour.	1	46
4771	28/08/1999 09:00	Sludge slick in Wellington Harbour, from Shed 35 towards Frank Kitts Park. Wellington Central.	The slick appeared to be natural. It was probably a phytoplankton similar to that which had recently caused discolouration around Wellington Harbour.	2	36
4772	28/08/1999 11:10	Very objectionable and offensive odour from nearby foundry. Lyall Bay, Wellington.	Complaint logged at the complainant's request.	27	28
4798	28/08/1999 13:00	Objectionable smoke and odour from neighbouring fast food premise. Wellington Central.	An objectionable odour and smoke was confirmed during the investigation.	5	35
4773	28/08/1999 13:16	Bad smell and smoke from neighbouring battery recycling factory. Petone, Wellington.	No smell was detected and no smoke was seen discharging from the battery recycling factory during the investigation.	1	59
4774	28/08/1999 15:47	Fresh load of non-clean fill being dumped in subdivided section nearby. Stokes Valley, Lower Hutt.	No signs of non-clean fill being dumped on site as alleged by complainant.	2	13
4775	28/08/1999 21:07	Phosphorescent ox liver in trash bin. Lowry Bay, Eastbourne, Lower Hutt.	Complaint logged. Not a Wellington Regional Council issue.	1	16
4776	29/08/1999 09:29	Objectionable and offensive offal/stockyard odour from nearby meat works. Ngauranga, Wellington.	Objectionable and offensive stockyard odour confirmed beyond the boundary of the meat works.	5	31
4777	29/08/1999 10:10	A pinkish brown slick discharging out of stormwater drain into Evans Bay. Kilbirnie, Wellington.	The slick was probably natural and not from the stormwater system. It was probably a phytoplankton similar to that which had recently caused discolouration around Wellington Harbour.	3	88

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>Alleged Source Count</i>	<i>First Response (mins)</i>
4781	29/08/1999 10:10	A thick pinkish brown sludge in Wellington Harbour at Queens Wharf. Wellington Central.	The slick was probably natural and a phytoplankton similar to that which had recently caused discolouration around Wellington Harbour.	4	155
4784	29/08/1999 10:16	Objectionable and offensive odour from nearby meat works plant. Ngauranga, Wellington.	Objectionable and offensive odour confirmed.	6	1
4799	29/08/1999 12:15	Objectionable smoke discharging from neighbouring fast food premise. Wellington Central.	Complaint logged.	6	22
4782	29/08/1999 14:49	Offensive sewage odour. Happy Valley, Wellington.	Objectionable and offensive odour confirmed outside nearby landfill gates.	12	36
4783	29/08/1999 15:53	Offensive odour from neighbouring animal remedies factory. Wallaceville, Upper Hutt.	No odour was detected during the investigation.	1	67
4816	30/08/1999 08:19	Paint or some other substance in Chaffers Marina. Oriental Bay, Wellington Central.	Substance identified as phytoplankton.	5	26
4817	30/08/1999 10:27	Two dead cows on walkway between Pukerua Bay and Plimmerton. Porirua.	Dead cows unable to be removed due to their isolated location.	1	5793
4818	30/08/1999 11:30	Objectionable burning plastic odour. Lyall Bay, Wellington.	No offensive, objectionable, noxious or dangerous odour detected at time of investigation.	28	35
4823	30/08/1999 13:35	Fill pushed into Porirua Stream. Linden, Porirua.	Porirua City Council investigated and dealt with the issue.	1	1
4819	30/08/1999 14:35	Hydrocarbon sheen and strong odour of diesel near Burnham Wharf. Miramar, Wellington.	Passed to Harbours Department for investigation.	1	5

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>Alleged Source Count</i>	<i>First Response (mins)</i>
4820	30/08/1999 14:50	Hydrocarbon sheen and strong odour of diesel near Burnham Wharf. Miramar, Wellington.	Incident already passed to Harbours Department for investigation as result of a previous complaint. Further details obtained from this complainant passed on to Harbours Department.	2	2
4821	30/08/1999 15:55	Objectionable odour from nearby food premise. Wellington Central.	Objectionable odour confirmed. Source confirmed as the alleged food premise.	7	15
4786	31/08/1999 08:20	Continuing discharge of diesel from stormwater into Wellington Harbour. Miramar, Wellington.	Boom placed across stormwater outlet to absorb diesel discharge. No source identified.	3	20
4824	31/08/1999 08:50	Water blasting of asbestos roof. Upper Hutt.	Passed to Upper Hutt City Council for action.	1	10
4822	31/08/1999 12:00	Illegal works in Mangaone Stream. Te Horo.	Under Investigation.	1	105
4825	31/08/1999 16:45	Oil and finish being poured down stormwater drain during morning yard cleaning at an automotive dealer. Wellington Central.	No issues of concern found at alleged source, however a neighbouring industry was found to have soapy water discharging down the stormwater drain. Advice about stormwater given to business concerned.	1	1005
4789	31/08/1999 17:40	Odour in bathroom. Happy Valley, Wellington.	Offensive odour confirmed. Wellington City Council to check property plumbing, and perhaps install a Buchan Trap if necessary.	1	30
4826	01/09/1999 11:54	Objectionable burning plastic odour. Lyall Bay, Wellington.	No offensive, objectionable, noxious or dangerous odour detected at time of investigation.	29	34
4827	01/09/1999 14:24	Objectionable burning plastic odour. Lyall Bay, Wellington.	No offensive, objectionable, noxious or dangerous odour detected at time of investigation.	30	26

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>Alleged Source Count</i>	<i>First Response (mins)</i>
4804	01/09/1999 16:42	Objectionable odour from nearby food premise. Wellington Central.	Complainant requested that complaint was logged.	8	1
4829	01/09/1999 16:45	Subdivision works in Moores Valley causing discolouration of the Wainuiomata River. Moores Valley, Wainuiomata.	Source of water discolouration traced to sediment removal from an aesthetic pond. Discharge ceased at request of Wellington Regional Council officer.	1	1075
4828	02/09/1999 08:38	Oily water entering stormwater drain on Panama Street. Wellington Central.	Construction works occurring on corner of Featherston and Panama Streets. Wellington City Council dealt with this issue. Also checked by Wellington Regional Council officer later in the day.	1	202
4802	02/09/1999 11:26	Real bad smoke and objectionable odour from neighbouring fast food premise. Wellington Central.	Complaint logged.	9	1
4806	02/09/1999 16:35	Objectionable odour from nearby food premise. Wellington Central.	Objectionable odour confirmed during surveillance. Odour confirmed as coming from the alleged fast food premise.	10	1
4830	03/09/1999 08:25	Oily residue in Waiwhetu Stream at Bell Road bridge. Gracefield, Lower Hutt.	Slight hydrocarbon residue observed at time of investigation. Possibly run-off from road due to recent rain. No adverse effects on aquatic life noted.	1	55
4831	03/09/1999 08:56	Brown scum on beach. Camborne, Porirua.	No scum observed at time of investigation.	1	89
4807	03/09/1999 11:00	Objectionable odour. Lyall Bay, Wellington.	Odour presence confirmed. Not objectionable or offensive at time of investigation.	31	25
4832	03/09/1999 12:05	Objectionable burning odour. Lyall Bay, Wellington.	No offensive or objectionable odour detected at time of investigation.	32	26

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>Alleged Source Count</i>	<i>First Response (mins)</i>
4833	03/09/1999 13:53	Possibly a hydrocarbon "slick" in area of Kings Wharf. Wellington Central.	Passed to Harbours Department for investigation.	1	3
4834	03/09/1999 15:35	Offensive odour from nearby animal remedies manufacturing facility. Wallaceville, Upper Hutt.	No offensive or objectionable odour detected at time of investigation. Source of odour confirmed as the alleged source.	2	55
4809	04/09/1999 08:27	Objectionable odour from neighbouring industrial area. Lyall Bay, Wellington.	Objectionable odour confirmed. Source confirmed as nearby foundry.	33	33
4810	04/09/1999 10:46	Objectionable odour from nearby food premise. Wellington Central.	Objectionable odour confirmed. Source confirmed as the alleged fast food premise. Further action to be taken.	11	26
4813	04/09/1999 10:53	Objectionable odour from neighbouring industry. Lyall Bay, Wellington.	Complaint logged.	34	2
4812	04/09/1999 10:53	Objectionable odour from neighbouring industry. Lyall Bay, Wellington.	Complaint logged.	35	3
4815	05/09/1999 15:23	Mangaroa River running dirty for the past two days. Mangaroa, Upper Hutt.	River running clean at time of investigation.	1	55
4238	06/09/1999 10:19	Oil discharged into the Kenepuru Stream. Ascot Park, Porirua.	Oil slick was contained with an oil boom and absorbent pads. Unable to trace the source of the discharge.	1	36
4847	08/09/1999 10:20	Objectionable and offensive sewage odour from nearby drain works. Wellington Central.	Complainant referred to Wellington City Council.	1	1
4835	09/09/1999 08:04	Sewage odour from wastewater treatment plant. Paraparaumu.	No sewage odour detected at time of investigation.	1	86
4848	10/09/1999 10:00	Diesel pumped into stormwater system. Wellington Central.	No visible signs of diesel in the stormwater system at time of investigation.	1	15

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>Alleged Source Count</i>	<i>First Response (mins)</i>
4842	10/09/1999 10:00	Household rubbish being burnt on Worsler Bay beach. Seatoun, Wellington.	Passed to Wellington City Council for action. Person responsible was asked to put out the fire.	1	3
4850	10/09/1999 10:59	Objectionable odour from neighbouring industrial area. Lyall Bay, Wellington.	Odour confirmed as coming from nearby manufacturer, but was not objectionable or offensive during the time of investigation.	36	15
4849	10/09/1999 12:00	Objectionable odour from neighbouring industries. Lyall Bay, Wellington.	Odour confirmed as coming from nearby manufacturer, but was not objectionable or offensive during the time of investigation.	37	5
4851	10/09/1999 12:37	Sediment run-off from neighbouring property's aesthetic ponds causing siltation on complainant's property. Paraparaumu.	Investigated and found not to be issue for the Wellington Regional Council.	1	143
4838	11/09/1999 14:47	Odour and smoke from incinerator at the south-east corner of Evans Bay. Miramar,	Smoke due to mechanical faults at the incinerator. Fault to be fixed as soon as possible and no medical waste to be burnt until fault fixed.	4	18
4843	13/09/1999 09:38	Polystyrene dust and chips on complainant's property from neighbouring property. Oriental Bay, Wellington.	Passed to Wellington City Council for action as covered by a building consent.	1	1399
4844	13/09/1999 11:55	Possibly illegal water takes from small streams near complainant's property. Waikanae.	Under Investigation.	1	16012
4841	13/09/1999 14:57	Welding and plastic odour. Lyall Bay, Wellington.	Logged at complainant's request.	38	2
4840	13/09/1999 15:23	Large quantities of yellow packaging tape on beach below wastewater treatment plant. Tirau Bay, Porirua.	Tape removed and appropriately disposed of.	1	1207

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>Alleged Source Count</i>	<i>First Response (mins)</i>
4846	14/09/1999 09:49	Dead sheep in the Ohariu Stream adjacent to Takarau Gorge Road. Ohariu Valley, Wellington.	The sheep was removed from the stream.	1	356
4845	14/09/1999 10:40	Dead seal on Owhiro Bay beach. Owhiro Bay, Wellington.	The Department of Conservation agreed to remove the seal.	1	8
4852	14/09/1999 13:15	Bleach discharge into the sea. Wellington Central	Responsible party told not to do anymore spraying while they investigate suitable alternatives for algae control.	1	19
4853	14/09/1999 13:43	Objectionable odour from neighbouring industrial area. Lyall Bay, Wellington.	No objectionable or offensive odour at the time of investigation.	39	37
4854	14/09/1999 14:22	Offensive odour coming from nearby foundry. Paraparaumu.	Complaint logged at complainant's request.	3	19
4855	15/09/1999 17:58	Dead crabs on the beach. Petone, Lower Hutt.	Crabs removed from the foreshore. Cause of death was considered to be natural.	1	42
4858	16/09/1999 08:55	Use of groundwater by a market garden may require a resource consent. Paekakariki.	Under Investigation.	1	
4864	16/09/1999 12:30	Orange bloom in the Pauatahanui Inlet possibly due to silt discharge from subdivisions. Camborne, Porirua.	Silt trap at subdivided property was discharging sedimented water out into the inlet at the time of the investigation, but the trap appeared to be well maintained and functioning correctly. Porirua City Council informed and asked to follow-up.	1	100
4867	17/09/1999 09:25	Dead dolphin on beach at Pauatahanui Inlet. Camborne, Porirua.	Passed to the Department of Conservation for action. They would remove the dolphin.	1	16
4857	17/09/1999 14:41	Rental car firm washing cars over the stormwater system. Rongotai, Wellington.	Under Investigation.	1	

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>Alleged Source Count</i>	<i>First Response (mins)</i>
4856	17/09/1999 14:58	Sediment from neighbouring property. Paraparaumu.	Under Investigation.	2	102
4863	17/09/1999 21:10	Objectionable landfill odour, Happy Valley, Wellington.	No objectionable or offensive odour was detected during the time of the investigation.	13	37
4859	18/09/1999 11:46	Stream works in Moonshine Stream. Works may be a breach of the resource consent. Judgeford, Porirua.	Passed to Consents Management Department for action.	1	124
4862	18/09/1999 11:46	Smoke and odour from incinerator at the south-east corner of Evans Bay. Miramar,	The incinerator had closed down operations for the day when the officer arrived. No smoke or odour was seen or detected by the officer during the investigation.	5	50
4860	18/09/1999 14:12	Stream works in Moonshine Stream. Works may be a breach of the resource consent. Judgeford, Porirua.	Passed to Consents Management Department for action.	2	1
4861	18/09/1999 16:37	Stream works in Moonshine Stream. Works may be a breach of the resource consent. Judgeford, Porirua.	Passed to Consents Management Department for action.	3	5
4874	20/09/1999 12:42	Discolouration of Karori Stream. Karori, Wellington.	Discolouration due to silt washed into stormwater by burst water main.	1	53
4866	20/09/1999 12:50	Wainuiomataiti Stream is heavily laden with sediment from the installation of culverts upstream of the Crowther Road bridge. Wainuiomata.	Culvert installation was causing a temporary discharge of sediment into the stream. However, because of its temporary nature the discharge should not have a significant adverse effect on the stream. The contractor was taking all practicable steps to minimise the discharge of silt.	1	60
4873	21/09/1999 12:18	Strong odour from neighbouring industries. Lyall Bay, Wellington.	No objectionable or offensive odour at time of investigation.	40	32

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>Alleged Source Count</i>	<i>First Response (mins)</i>
4876	22/09/1999 12:50	Green discolouration in Wellington Harbour beside overseas passenger terminal. Wellington Central.	No discharge observed at time of investigation.	1	25
4877	22/09/1999 13:55	Discolouration of stream between Woodland and Ironside Road. Johnsonville, Wellington.	Traced to burst water main.	1	35
4879	22/09/1999 15:30	White foam and discolouration of Wellington Harbour at Petone Wharf. Petone, Lower Hutt.	No foam observed at time of investigation. Some discolouration observed, which was due to high silt loading in the Hutt River after heavy rain.	1	8
4872	22/09/1999 15:40	Unpleasant sewage odour. Thorndon, Wellington.	Sewage odour detected. Referred to Wellington City Council for action.	1	20
4890	22/09/1999 16:35	Smoke from burn-off drifting onto a residential area. Craigs Flat, Upper Hutt.	Complaint passed on to Wellington Regional Council Conservation Forestry Department to investigate.	2	1
4869	22/09/1999 18:12	Unpleasant landfill odour. Happy Valley, Wellington.	Objectionable odour confirmed, and the source was confirmed as the nearby landfill.	14	28
4870	22/09/1999 18:25	Unpleasant landfill odour. Happy Valley, Wellington.	No offensive or objectionable odour present at time of investigation.	1	125
4871	22/09/1999 18:55	Unpleasant landfill odour. Happy Valley, Wellington.	Objectionable odour confirmed, and the source was confirmed as the nearby landfill.	15	8
4883	23/09/1999 09:50	Unpleasant plastic odour. Lyall Bay. Wellington.	No offensive or objectionable odour detected at time of investigation.	41	24
4884	23/09/1999 10:05	Unpleasant plastic odour. Lyall Bay. Wellington.	No offensive or objectionable odour detected at time of investigation.	42	9

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>Alleged Source Count</i>	<i>First Response (mins)</i>
4882	23/09/1999 14:40	Odour from neighbouring industries. Lyall Bay, Wellington.	No offensive or objectionable odour detected at time of investigation.	43	23
