Report to Policy and Finance Committee
from Stuart Macaskill

Submission on Capital and Coast Health Consultation Document

1. Purpose

For the Committee to agree a submission on Capital and Coast Health's Consultation Document on Health and Disability Services for Wellington, Porirua and Kapiti.

2. Background

Capital and Coast Health has sought comments, by 17 August 2001, on its proposal for the development of health and disability services and the location of hospital facilities for the Capital and Coast District Health Board area.

3. Possible Submission

A draft submission is attached for the Committee's consideration.

4. Recommendations

- (1) *That the Committee recommends to Council that it approves the submission to Capital and Coast Health set out in Attachment One (with any agreed amendments).*
