Report to the Passenger Transport Committee  
From Dr D J Watson, Division Manager Transport

**Tranz Metro Wellington – Monthly Performance Report (October 2001)**

**1. Purpose**

To provide the Committee with the latest monthly performance report from Tranz Metro Wellington.

**2. Comment**

Councillors have been receiving in the Councillors Bulletin the monthly performance report from Tranz Metro Wellington for several months. The latest report, October 2001, is being presented here to the Public Transport Committee (**attachment 1**). Future monthly reports will also come to the Committee, probably as part of the monthly Public Transport update report.

**3. Communications**

The Tranz Metro Wellington performance report is a sound ongoing source of information about urban rail activity in Wellington. Over time it will provide performance trends that will be of interest to rail users and the public generally. It would be appropriate for the Council to ensure, through media releases to the community newspapers, that this information is circulated widely.

**4. Recommendation**

*That the Tranz Metro Wellington Monthly Performance Report – October 2001 be received.*

DAVE WATSON  
Divisional Manager, Transport
