WELLINGTON

Dear Dave,

Funding of Pedestrian Shelters Associated with the Lambton Terminal

This is to confirm telephone advice to yourself and Stephen Harte of Wellington City that your council's request to have 60% funding for this project extended into 2002/2003 has been declined.

The Transfund Board considered your request at its meeting of 20th June and, mindful that there were other Kick - Start projects similarly affected, concluded there were insufficient grounds for making an exception to its policy.

Yours sincerely
