Report 03.646

File: TP/1/6/4

Councillor Foster arrived at 9.45am.

Councillor Thomas asked whether the ownership of transport infrastructure such as the Waterloo Interchange, under the new legislation, meant the Regional Council could use parts of buildings for commercial purposes. Dr Watson said he will investigate and report back to the Committee.

Resolved (Cr Kirton/Cr Buchanan)

- (1) *That the report be received.*
- (2) *That Council should when funding new passenger transport infrastructure consider:*
 - (a) *The ownership of that infrastructure, with a preference for local council ownership.*
 - (b) *Applying conditions on third party ownership to ensure ongoing use of the infrastructure for the purpose intended at the time of purchase.*

Matters for Information**PT 150 Bus Costs – A Presentation by Kerry Waddell, Mana Coach Services Ltd**

Kerry Waddell, Mana Coach Services Limited, gave a presentation on increasing costs facing the bus passenger transport industry covering 1996 to the present. This included movements in direct industry costs, vehicle purchasing options, the impact of reduced loading capacity on capital expenditure and an overview of compliance costs and future cost implications.

Following questions, Councillor Turver thanked Kerry Waddell for her presentation and noted copies of the overheads will be circulated.
