## **Wellington Regional Environmental Agency**

### **1. Purpose**

To appoint a Councillor to represent Greater Wellington Regional Council at meetings of the Wellington Regional Environmental Agency.

### **2. Comment**

Greater Wellington Regional Council has traditionally been represented at the meetings by a Councillor and an officer. The Deputy Chair of the Environment Committee has usually served as the Council representative. With the resignation of Irvine Yardley from the Council and the appointment of Cr. Glen Evans as the Deputy Chair of the Environment Committee, serving on the Regional Environmental Agency would be an appropriate role for Cr. Evans, subject to his agreement.

### **3. Recommendation**

*That, subject to his agreement, Cr. Evans represent the Council at meetings of the Wellington Regional Environmental Agency.*
