Minute extract from meeting held on 3 November 2005

Wellington Region CDEM Group Submission on the Proposed National Civil Defence Emergency Management Plan

The submission lodged on the Proposed National CDEM Plan was tabled.

In essence, he acknowledged that there were problems with the Proposed Plan, but that there had been extensive editing. However, he did not agree with the Group's conclusion that the proposed Plan was flawed.

Resolved

That the CDEM Group:

- (1) Receive the report.*
- (2) Endorse the Wellington Region CDEM Group's submission on the Proposed National Civil Defence Emergency Management Plan.*
