

Non-notified resource consents approved between 6 May and 21 June 2006

File Reference	Consent Holder	Location	Purpose Description	Activity Type
WGN040356	Kooroora Holdings Limited	Waikanae Turf Farm, Kebbles Bend, SH1, Waikanae	To take and use groundwater from an existing bore for the irrigation of a turf farm.	Take
WGN050148	David Walshaw	22 Lethbridge Road, Te Horo, Otaki	To take and use groundwater from an existing bore for the irrigation of an olive grove and market garden.	Take
WGN060081	Ali Layakat	45 Phillip Street, Johnsonville	To place and maintain a pipe in the bed of an unnamed stream, and to undertake associated disturbance of the stream bed.	Stream Work
WGN060081	Ali Layakat	45 Phillip Street, Johnsonville	To reclaim a section of the bed of an unnamed stream.	Reclamation
WGN060081	Ali Layakat	45 Phillip Street, Johnsonville	To permanently divert the full flow of an unnamed stream through a pipe.	River/Stream Diversion
WGN060150	L M Burt	80 Gilbert Road, Kaitoke, Upper Hutt	To vary condition 3 of land use consent to construct and use a bridge across the Pakuratahi River, and undertake associated disturbance of the river bed.	Bridge
WGN060166	Kapiti Views Trust	Kakariki Grove, Waikanae	Water permit to permanently divert a section of an unnamed water course in the Waikanae River catchment as part of a subdivision.	River/Stream Diversion
WGN060166	Kapiti Views Trust	Kakariki Grove, Waikanae	Land use consent to: Place, use, and maintain a pipe in approximately 280 metres of an intermittently flowing stream and undertake the subsequent reclamation of this section of watercourse; and Place, use, and maintain a section of pipe which will permanently alter a section of an unnamed watercourse; and undertake the associated disturbance of stream beds in the Waikanae River catchment as part of a subdivision.	Stream Work

File Reference	Consent Holder	Location	Purpose Description	Activity Type
WGN060166	Kapiti Views Trust	Kakariki Grove, Waikanae	Discharge permit to discharge contaminants, namely sediment, to land which may enter water from the development of a subdivision in the Waikanae River catchment.	Stormwater Discharge
WGN060233	Gino and Joe Cuccurullo	Island Bay mooring area	To place and maintain a swing mooring structure in the coastal marine area.	Mooring
WGN060248	MSC Allan Group	1877 Akatarawa Road, Akatarawa, Upper Hutt	To discharge sediment laden stormwater to the Akatarawa River from an area of bulk earthworks associated with the operation of a cleanfill.	Stormwater Discharge
WGN060268	New Zealand Forestry Group	568 South Makara Rd, Makara, Karori	To construct approx 2km of access road at Kinnoull Station.	Earthwork
WGN060274	Mr Grant Douglas Wareham	208 Flighty's Road, Pauatahanui	To permanently divert the flow of an unnamed tributary of the Pauatahanui Stream into two ponds.	River/Stream Diversion
WGN060276	Winstone Aggregates	Hebden Cres, Lower Hutt	Discharge permit to discharge sediment-laden stormwater to land in circumstances where it will enter the Hutt River.	Stormwater Discharge
WGN060276	Winstone Aggregates	Hebden Cres, Lower Hutt	Water permit to divert the full flow of an unnamed tributary of the Hutt River.	River/Stream Diversion
WGN060276	Winstone Aggregates	Hebden Cres, Lower Hutt	Water Permit to take water from an unnamed tributary of the Hutt River for quarry operation purposes.	Take
WGN060276	Winstone Aggregates	Hebden Cress Lower Hutt	Discharge permit to discharge sediment-laden stormwater to water in circumstances where it will enter the Hutt River.	Stormwater Discharge
WGN060276	Winstone Aggregates	Hebden Cres, Lower Hutt	Land use consent to undertake works in the bed of an unnamed tributary of the Hutt River associated with the diversion of that tributary.	Stream Work
WGN060290	WRC Internal	Between 6 Wall Place and 33 Kenepuru Drive, Porirua	To enter and disturb the bed of a section of the Porirua Stream in order to mow the batter slopes using a tractor mounted reach mower.	Stream Work

File Reference	Consent Holder	Location	Purpose Description	Activity Type
WGN060291	WRC Internal	Between Stokes Valley Stream mouth and Stokes Valley Road Bridge	To enter and disturb the bed of a section of the Stokes Valley Stream to mow the batter slopes using a tractor mounted reach mower.	Stream Work
WGN060296	Otaki-Maori Racing Club (Inc)	Otaki Racecourse, 47 Te Roto Road, Otaki	To take and use groundwater from an existing bore for irrigation and general purposes.	Take
WGN060298	Kapiti Coast District Council	Paraparaumu Sewage Treatment Plant, Fytfield Place, Paraparaumu	To construct a bore.	Bore
WGN060302	Simon and Ann Holley	10 Taylors Road, Otaki	To construct a bore.	Bore
WGN060303	J S Hickman	14 Kotuku Drive, Paraparaumu Beach	To construct a bore.	Bore
WGN060305	Wellington City Council	Takapu Stream, Willowbank Park, Tawa	To place, use and maintain a gabion basket erosion protection wall in the bed of Takapu Stream, including any associated disturbance of the bed and temporary diversion of water.	Structure: Hazard Mitigation
WGN060310	Richard Cooke	30 Heperi Street, Waikanae Beach	To construct a bore.	Bore
WGN060311	Hutt City Council	Speedy Stream, adjacent to Belmont School, Fairway Drive, Belmont	Land use consent to repair, reinstate and extend an existing erosion protection structure in the bed of Speedy Stream including any associated disturbance of the bed of the stream.	Structure: General
WGN060313	Hutt City Council	Opposite 249 Marine Drive, Lowry Bay	To disturb the CMA to repair and add to a section of gabion basket seawall, and occupy space in the CMA with that addition.	Structure: Hazard Mitigation
WGN060315	Hutt City Council	Adjacent to Ava Rail Bridge, Alicetown, Lower Hutt	To construct three bores for geotechnical investigations within the Lower Hutt Groundwater Zone.	Bore
WGN060318	Paul Cranney	Ivey Bay, Paremata	To place and occupy a swing mooring in the Ivey Bay Coastal Marine Area.	Mooring
WGN060329	Ian Sherwin	5 Twin Lakes Road, Upper Hutt	To construct a bore.	Bore

File Reference	Consent Holder	Location	Purpose Description	Activity Type
WGN060330	Hutt City Council	In the vicinity of the Ava Rail Bridge, Lower Hutt	To construct a bore for geotechnical investigations in the Lower Hutt Groundwater Zone. The drill hole is required to investigate the susceptibility of the Railway Overbridge foundations to settle under earthquake effects as part of a seismic risk assessment.	Bore
