2. Objectives of the Wellington Regional Strategy Committee

This is a committee established to complete the preliminary work required to recommend proposals to the Council and conduct (on behalf of the Council) a special consultative procedure to consult on:

- (a) The proposed Wellington Regional Strategy (WRS), and
- (b) Proposals outlined below in regard to the future implementation, governance and funding of the WRS.

The future role of the committee and its ongoing role and responsibilities will be decided at the outcome of the consultation process.

3. Specific Responsibilities of the Wellington Regional Strategy Committee

The Committees responsibilities include:

- (a) Overseeing the identification and recommendation of the five Non-Local Government Members for appointment to the Committee by the Council.
- (b) Completing the preliminary work required to finalise and recommend a draft statement of proposal to the Council for consultation, which will propose:
 - (i) That the Council via the Wellington Regional Strategy Committee takes responsibility on behalf of the region for overall guidance of the Wellington Regional Strategy and in doing so takes on a significant new activity on behalf of the region.
 - (ii) That the Council establishes or becomes a participant in an economic development agency established as a Council Controlled Organisation (CCO) to be responsible for delivering the economic development initiatives outlined in the Wellington Regional Strategy.
 - (iii) A funding proposal to be consulted on including the amount and allocation of a recommended new targeted rate and changes to the Revenue and Finance Policy to be decided by the Committee following appointment of the five non-Local Government Members.
 - (iv) A recommendation that the Council (on behalf of the region) fund existing and new economic development initiatives outlined in the Wellington Regional Strategy by the implementation of a recommended targeted rate from 1 July 2007, to be proposed initially as an amendment to the Council's Revenue and Finance Policy.
- (c) To receive and hear submissions (via a sub-committee if necessary) arising from the consultation.
- (d) To make a recommendation to the Council following the consultation on all aspects of the proposal.

- (e) To recommend to the Council a rate level for proposed amendment to its Revenue and Finance Policy for adoption from 1 July 2007.
- (f) To do any further work necessary and to liaise with the Council and the Territorial Authorities to record the agreed outcomes of the consultation and to determine the Committee's future role (if any) in regard to the future implementation, governance and funding arrangements for the Wellington Regional Strategy.

4. Operating Principles

- (a) The Council has agreed that it will not act independently of the Committee, so that any committee recommendations that the Council is not prepared to accept will be referred back to the Committee for further consideration.
- (b) The Council and the Territorial Authorities of the region intend to complete a Memorandum of Understanding (MOU) to record their agreement in regard to how consultation on the Wellington Regional Strategy will be achieved, the establishment of the Wellington Regional Strategy Committee and its role, the initiation of a process under section 16 Local Government Act 2002 to consult on a proposal that the Council takes on a significant new activity in regard to the future governance, implementation and funding of the Wellington Regional Strategy and initiation of consultation on the other measures required to effect the new activity, should it proceed. Although the Committee is not a party to the MOU it will endeavour to ensure that the Committee's actions are consistent with the matters recorded in the MOU and its guiding principles.
- (c) The Local Government Chief Executive Group will be the principal advisor to the Committee.

5. Standing Orders

- (a) The Council's Standing Orders are adopted, subject to the following amendments:

Voting

The acts of the Committee must be done and questions before the Committee must be decided at a meeting by vote. Each member of the Committee will have one equal vote and decisions will be made by simple majority with the exception of the following proposals which will require a two thirds majority vote:

- (i) decisions on the recommended quantum of funding required for the Wellington Regional Strategy;
- (ii) decisions on the recommended amendment to the Council's Revenue and Finance Policy; and

- (iii) decisions on the recommended targeted rate.

Chairperson voting

The Chairperson or other person presiding at the meeting:

- (b) has a deliberative vote; and
- (c) in the case of an equality of votes, does not have a casting vote (and therefore the act or question is defeated and the status quo is preserved).

6. Delegations

- (a) The Council delegates to the Committee all functions and powers to achieve its specific responsibilities except those matters reserved under clause 32 schedule 7 LGA 2002 and the appointment of new members.
- (b) The Committee is authorised to appoint a subcommittee of its members to hear any submissions made on the proposals notified under the special consultative procedure and to evaluate them and make recommendations to the Committee.

7. General Responsibilities

The General Responsibilities in Section 4 of the Terms of Reference for Council and Standing Committee apply, except that clauses 4.4 and 4.10 are amended as follows:

- (a) Recommend to Council, any changes in priorities and funding for activities and projects within the Committee's area of responsibility as and when considered necessary or appropriate.
- (b) Recommend for ratification by the Council, the appointment of the five persons who are not political appointees and who have a knowledge that would assist the work of the Committee.
