Mayor Guppy asked for clarification on the REDA support for the bid for hosting the Association of Film Commissioners' International Cineposium 2008 in Wellington. Mr McCaw confirmed that two people will be attending the 2007 Cineposium in Sante Fe at a cost of \$25,000. In response to Mayor Guppy's concern that supporting the symposium was contrary to the mediated agreement that "capital or operational expenditure of community facilities or events are not activities that can be funded by the REDA.", Sir John Anderson asked officers to prepare a report for the next Committee meeting clarifying what "community facilities or events" include and are therefore outside the REDA's funding.
