

Selection of participant feedback

Regional Outdoors Programme 2008

We have had a lot of positive feedback. Below are examples from some of the trips on the Regional Outdoors Programme 2008.

Event	Feedback
Explore Belmont – Dry Creek	Nice walk but too short
Old Coach Road History Trail	Should be graded as Easy walk not Moderate so younger people can go, lovely pleasant walk
Battle Hill History Launch	Excellent morning, well organised, well presented history. Thanks for the opportunity.
Giant Rata Journey	Thoroughly enjoyed walk, good org, good guides, keep up good work
Lighthouse and Lakes 1	Great event, great staff, good use of rates!
	It was great; the staff even shared their lunch!
Lighthouse and Lakes 2	Suggestion that the length in km of walking is included in information and hill climbing
	I would like to say how much I appreciated (and admired) your staff the way they coped with the adverse conditions we were treated to. They were so cheerful and helpful in so many ways.
Go Bush! Mountain Safety	Good introduction to the subject and covered a range of participants experience well. Practical component excellent. Suggest you have more info on MSC courses available and BC manuals available for sale.
Paws in the Park	Beautiful day, look forward to more events
Rimutaka Rail Trail	I'm glad the quad bike was available to transport some of the less fit some of the way
	Too long at Fell museum, everything else superb, Interpreter, sausage sizzle and scones!
	Great, no pressure to keep up a fast pace, they looked after us well. Great sausage and coffee at the summit
Harakeke – Flax Weaving on the Coast	Wonderful course and great people
Beginners Guide to Fly Fishing	I'm a visitor here in NZ and that's one of the best experiences I've had here in NZ. I'll remember it forever. Great tutor, nice and friendly, gives a great image of kiwis.
Battle Hill Heli Tramp	Everything was just right - we appreciated the pre-heli handouts and had time to read them before take-off. And then checked some of our bird, tree, nature books on getting to home to answer some of our many questions about what we had seen and heard. Altogether a very happy and satisfying big day out!
Farm to Coast	Very well organised and very friendly support staff. Very satisfied
	A high level of fitness was really necessary. Thoroughly enjoyed the day. Thank you.
