2. *Total Mobility – an alternative to the Supported User scheme*

The general subject of each matter to be considered while the public is excluded, the reasons for passing this resolution in relation to each matter and the specific grounds under section 48(1) of the Local Government Official Information and Meetings Act 1987 for the passing of this resolution are as follows:

<i>General subject of each matter to be considered:</i>	<i>Reason for passing this resolution in relation to each matter</i>	<i>Ground under section 48(1) for the passing of this resolution</i>
--	---	---

1. Public excluded Minutes from the 15 June meeting of the Committee

The information contained in these minutes relates to the provision of weekend trolley bus services. Release of this information would disadvantage the Council in its negotiations with transport service providers as it would reveal Greater Wellington's negotiation strategy. Greater Wellington has not been able to identify a public interest favouring disclosure of this particular information in public proceedings of the meeting that would override this prejudice.

That the public conduct of the whole or the relevant part of the proceedings of the meeting would be likely to result in the disclosure of information for which good reason for withholding would exist under section 7(2)(i) of the Local Government Official Information and Meetings Act 1987 (i.e to enable Greater Wellington to carry out, without prejudice or disadvantage, negotiations).

2. Total Mobility- an alternative to the Supported User Scheme

The information in this report relates to the provision of an alternative to the Total Mobility Supported User Scheme. Release of this information would disadvantage the Council in negotiating terms of access to Total Mobility with any agency of support as it would reveal Greater Wellington's negotiation strategy. Greater Wellington has not been able to identify a public interest favouring disclosure of this particular information in public proceedings of the meeting that would override this prejudice.

That the public conduct of the whole or the relevant part of the proceedings of the meeting would be likely to result in the disclosure of information for which good reason for withholding would exist under section 7(2)(i) of the Local Government Official Information and Meetings Act 1987 (i.e. to enable Greater Wellington to carry out, without prejudice or disadvantage, negotiations).

This resolution is made in reliance on section 48(1) of the Local Government Official Information and Meetings Act 1987 and the particular interest or interests protected by section 6 or section 7 of that Act which would be prejudiced by the holding of the whole or the relevant part of the proceedings of the meeting in public are as specified above.

The motion was **CARRIED**.

The public part of the meeting closed at 10.25am.
