### **Request for information: Downer EDI Inquiry**

I refer to your request for information dated 19 December 2022, which was received by Greater Wellington Regional Council (Greater Wellington) on 20 December 2022. You have requested the following:

*“I am looking for high level information on Downer EDI, specifically the government contracts they tender for, win, do not win, have renewed and not renewed. Please include dates, headline amount/revenue, variation, title / type and location.*

*This may also relate to the Local Government portfolio.*

*Please contact me with any questions. “*

### **Greater Wellington’s response follows:**

Greater Wellington does not have any contracts with Downer EDI.

Greater Wellington does have one contract with Downer NZ Limited and we have elected to include this detail in our response as Downer EDI Pty Limited is the ultimate shareholder. The contract title is Lambton In exchange Construction Contract and started on 15 August 2022 with an end date of 27 January 2023. The value of the contract is approximately \$3 million.

In addition to your request for information regarding tenders Downer EDI “tender for, win, do not win, have renewed and not renewed” Greater Wellington does not collate or retain this information. We are, therefore, refusing your request under section 17(g) of the Local Government Official Information Act 1987 (LGOIMA) on the basis that Greater Wellington does not hold the information requested.

If you have any concerns with the decision(s) referred to in this letter, you have the right to request an investigation and review by the Ombudsman under section 27(3) of LGOIMA.

Please note that it is our policy to proactively release our responses to official information requests where possible. Our response to your request will be published shortly on Greater Wellington's website with your personal information removed.
