

There are some pieces of evidence I plan to refer to during my presentation.

They are all publicly facing and relate to my hearing presentation on both CC.6 and the definition of Nature Based Solutions.

The evidence I am wanting to draw on and point to are:

[untitled \(gw.govt.nz\)](#) - Hydrological assessments of ten wetlands in the Wellington region and recommendations for sustainable management: a holistic approach. by KEITH THOMPSON, May 2012

[Proactive-Release-LGOIMA-2022-203.pdf \(wrc.govt.nz\)](#) - Proactive release of LGOIMA request by Al Cross 16 Nov 2022

[Peatlands store twice as much carbon as all the world's forests \(unep.org\)](#)
- Article referenced in Al Cross LGOIMA Release United Nations - Feb 2019
