Request for information 2025-008

I refer to your request for information dated 17 January 2025, which was received by Greater Wellington Regional Council (Greater Wellington) on 17 January 2025. You have requested the following:

“Re [Wellington] electric buses powered by [batteries] and or diesel motor [aided]. I would like a list of the these buses by model and passenger capacity, and the date when each model was introduced to service in the Wellington area .I have been informed the first model(type) commenced about 2017,with the latest double deckers about 2016.”

Greater Wellington’s response follows:

Please refer to **Attachment 1** for a current list of our bus fleet showing each vehicles make and model, and their maximum passenger capacity, including both standing and seated passengers.

We have also included each vehicle’s date of manufacture and first registration. Where buses operational start date differs from their date of registration we have included a note in the comment's column.

The bus size column uses the following abbreviations to describe each bus:

Abbreviation	Meaning
LV	Large Vehicle
MV	Medium Vehicle
DD	Double Decker

Abbreviation	Meaning
ELVDD	Electric Double Decker
ELV	Electric Large Vehicle
AXELV	Airport Express Electric
VSV	Very Small Vehicle

If you have any concerns with the decision(s) referred to in this letter, you have the right to request an investigation and review by the Ombudsman under section 27(3) of the Local Government Official Information and Meetings Act 1987.

Please note that it is our policy to proactively release our responses to official information requests where appropriate. Our response to your request will be published shortly on Greater Wellington's website with your personal information removed.
