Regional Council input into city and district council planning

1. Purpose

To inform Councillors of Greater Wellington Regional Council’s input into the statutory resource management processes of territorial authorities in the region for the period from 27 August to 3 October 2014.

GWRC’s interest arises from the Council’s responsibilities for regional planning and the integrated management of natural and physical resources in the Wellington region.

2. City and District Council plan changes and resource consents

Territorial Authority	Status of Document	Name of Document	Main issues	Action
