

Under the Resource Management Act 1991

IN THE MATTER OF an application by NCI Packaging (NZ) Limited (WGN190198) to the Wellington Regional Council to discharge contaminants to air associated with the operation of a steel and aluminium can manufacturing plant, which includes coating processes.

Second Minute and Directions of Hearing Commissioners J Iseli and T Nash

1. We have been appointed by the Wellington Regional Council as commissioners under Section 34A of the Act to hear and decide the application lodged by NCI Packaging (NZ) Limited (the Applicant).
2. The hearing of the application was held at the Wellington Regional Council Upper Hutt depot on 4th August 2021. We wish to thank the participants for their constructive and helpful input during the hearing.
3. As discussed at the end of proceedings, we have decided to adjourn the hearing and direct as follows:
 - Ms McLintock, with the input of Mr Bluett, is to prepare a final set of recommended consent conditions (including tracked changes to the version in the S42A report), for distribution by 5pm Monday 9th August 2021;
 - Mr Gordon is to provide a final set of proposed conditions on behalf of the applicant, including tracked changes to Ms McClintock's final conditions, by 5pm Friday 13th August 2021.
4. The Regional Council will distribute the above information by email to the parties involved in the hearing.
5. The parties should address any questions regarding this process to Anna McLellan at the Regional Council who can be contacted by phone (04 830 4346) or email (Anna.McLellan@gw.govt.nz).
